TG-sm (Tigrato), DC-sm (Decoro Ondo), & AM-sm	W 8.5" X H 5.75"
TG-lg (Tigrato), DC-lg (Decoro Ondo), & AM-lg	W 17.75" X H 12.50"

Design notes:

The subtle color gradation in this amber glass gives these full clean globes an unusually warm glow. Wrap that glow with a spiraling band of dark smoke and the experience becomes unmistakably African- new from Lummen's contemporary tribal collection.
